

Auxiliary questions poster

EXPLORE

What have you seen or observed lately that is interesting?
What is happening in your life at the moment?
What do you talk about with your friends?
What about your family? What do you think is going on in the world?

INVENT

What kind of pictures do you like? Do you like black and white? Or colourful images? Drawings?
What kind of images do you have saved on your mobile phone? Can you find images on your chosen topic on the internet or in books?
Can you make a drawing of your topic?
Have you tried making a collage?

EXPERIMENT

What would you say about your images to your friend or family member? You can practice the presentation with your pet or just by yourself.
Have you tried making a video of your presentation?
You can choose your images together with a friend. Have you tried scripting the presentation by talking about it together?

TELL

Are you nervous about presenting? No worries! Everybody is nervous, and everybody does it in their own style.
Mistakes are important and valuable. Without mistakes there would be nothing new and interesting.
You don't need to worry about making a mistake!
Tell about the pictures in your own words.
You are interesting! Let's cheer and applaud each other!

For a designer – and for us all – it is important to be able to talk about and describe the work we do and to share ideas even at an early stage.
Telling about your project can be daunting but it is also fun!

Helsinki

Mistakes and blunders happen to all of us sometimes, and it doesn't matter. In creative work, mistakes are an important part of the development.

Design

Mistakes mean you were brave and tried something new!
